

TOWN OF ARUNDEL

Mailbox Damage

If your mailbox is damaged by a town plow, please make any immediate repairs needed to maintain mail delivery. Public Services staff may be able to assist you with repairs as time permits or in the spring.

Mailbox replacement is a courtesy service provided by Public Works and the department may elect not to replace any mailbox post it deems was in disrepair prior to the accident. The standard replacement mailbox is a 4 x 4 wooden post and/or steel mailbox.

There just be a minimum of 44 inches from the pavement to the lowest hanging point of the mailbox in order to allow the plow wing to pass safely under your mailbox.

Important: Maine State Law views mailboxes as an encroachment in the public way. Municipalities are not legally liable for any damage or repairs to mailboxes due to plowing operations.
