1.1 TITLE

This ordinance shall be known as the “Residential Growth Ordinance of the Town of Arundel, Maine” and will be referred to herein as “this ordinance.”

1.2 DEFINITIONS

In general, words and terms used in this ordinance shall have their customary dictionary meanings. More specifically, any word or term defined in the Arundel Land Use Ordinance shall have the definition contained in that ordinance, unless defined differently below; other words and terms used herein are defined as follows:

RESIDENTIAL BUILDING PERMIT: A permit to create a new dwelling unit, issued by the Code Enforcement Officer after ascertaining that the proposed dwelling would meet all of the relevant requirements of this ordinance, the Arundel Land Use Ordinance, and the Arundel Building Code.

RESIDENTIAL GROWTH PERMIT: A permit issued by the Code Enforcement Officer certifying a Building Permit’s compliance with the terms and restrictions of this Ordinance.

1.3 PURPOSES:

The purposes of this ordinance are to:

- (a) allow growth of the population of the town at a rate that would not impose an undue burden upon the provision of community services (including education, fire and police protection, road maintenance, waste disposal, health services and welfare) and which would be compatible with the orderly and gradual expansion of said services in accordance with the town’s Comprehensive Plan;
- (b) maintain the predominantly rural character of the town;
- (c) provide for the local housing needs of Arundel’s existing residents, while accommodating Arundel’s “fair share” of population growth in York County and in the immediate subregion.
- (d) ensure fairness in the allocation of building permits;
- (e) ensure that the Building Permit issuance system does not prevent the creation of a reasonable number of multiple dwelling units simultaneously; and
- (f) ensure that the commencement of construction for an approved permit is both imminent and timely.

1.4 EXEMPTIONS

- (a) This ordinance shall not apply to the repair, replacement, reconstruction, or alteration of any existing building structure as long as no additional dwelling units are created by such construction.
- (b) This ordinance shall not apply to a Seasonal Cottage that is located within a Seasonal Resort development as defined in sections 3.2 and 9.3.37 of the Land Use Ordinance.
- (c) This ordinance shall not apply to an Accessory Apartment as defined in sections 3.2 and 9.3.1 of the Land Use Ordinance.
- (d) This ordinance shall not apply to up to 4 units of affordable housing in any calendar year period, so long as the developer / builder implements a plan to ensure that the housing units remain affordable in perpetuity. The plan for maintaining

affordability shall be submitted to and approved by the Arundel Board of Selectman and, if the units are reviewed by the Arundel Planning Board, by the Planning Board as well. For purposes of this ordinance, “affordable housing” shall mean affordable housing as defined by 30-A M.R.S.A. §5002(2) and any pertinent MSHA regulations. The number 4 in the first sentence of this subsection shall automatically be replaced annually with the whole number that is greater than 10% of the number of permits for new residential dwellings set by this ordinance for the current year.

1.5 GENERAL REQUIREMENTS

All new dwelling units within the Town of Arundel, whether year-round or seasonal unless exempted under the provisions of Section 1.4 above, shall be in conformity with the provisions of this ordinance. No new dwelling unit shall be constructed which fails to meet the requirements of this ordinance.

If an application is incomplete, the Code Enforcement Officer shall return the application to the applicant with a written statement as to what information must be submitted in order to be complete. Upon submission of the necessary information to render the application complete, the Code Enforcement Officer shall again note the date and time the additional information was submitted. Only complete applications shall be considered for selection in the subsequent calendar month.
- (d) Applications for Residential Building and Growth Permits shall be issued on a monthly basis from all pending applications.

A Residential Building and/or Growth Permit, which is transferred not in accordance with this ordinance, shall be nullified and revoked by the Code Enforcement Officer.

This Ordinance shall not repeal, annul, or in anyway impair or remove the necessity of compliance with any other rule, regulation, by-law, permit, or provision of law. Where this Ordinance imposes a greater restriction upon the use of land, buildings, or structures, the provisions of this Ordinance shall prevail.
