III. Municipal Budget Review 26/27

-Civil Services

-Miscellaneous

In the review of the Civil Services it was determined that for the upcoming year a request of 10,000 in the Contingency Line was not necessary as a Reserve Account does exist with appropriate funding already collected. In the Miscellaneous Budget a removal of 3,000 in Eastern Trail maintenance was removed as most of this activity occurs in the Public Works budget. Review of Social Service Agencies saw a reduction of \$5,300 from the overall request in specific areas. An addition of two other agencies was also added to the list of agencies seeking funding and two were removed as funding is no longer requested.

IV. Next Meeting: Wednesday April 29nd review and act on Municipal Budget requests.

V. Adjournment: MOTION Hayes second Boissonneault “to adjourn” passed @ 7:55 PM
