RE: Blueberry Ln (Braley) Subdivision - **Sight Distance Easement**
Blueberry Ln
Arundel, ME 04046

To whom it may concern:

I, Andrew D Leigh, am granting permission to the developer of Blueberry Ln Subdivision, Ethan Braley, an easement across a specific portion of my property at 42 Savannah Trail, Arundel, Maine, as stated in the Plan prepared by Paul Gadbois attached hereto. This easement involves clearing trees and will achieve a safe sight distance in the looking to the north from Blueberry Ln.

Once the Subdivision is approved by the Arundel Planning Board, the easement will be recorded with the York County Registry of Deeds.
