**Request for Extension of Preliminary Subdivision Approval**  
**Goff Brook Farms Subdivision, Porter Land Preservation LLC**

Dear Lee Jay:

On behalf of Porter Land Preservation, LLC (applicant), and in accordance with Article 8.1.A of the Subdivision Ordinance we wish to request an extension of the filing deadline of the Final Subdivision Application for Goff Brook Farms. The project is currently under review by the Maine Department of Environmental Protection Agency (MDEP) and we do not anticipate receiving approval until September or October. We understand, per Article 8.1.C., that we can not submit the Final Subdivision Application until we have received MDEP approval.

In support of this request, I have attached a letter of acceptance of the Site Location of Development Act (SLODA) and NRPA-Tier 1 Applications which provides a timeline for agency approval.

Let me know if I need to appear before the Planning Board for this request. Please call or email me with any questions or if you require additional information. Thank you for your consideration.

Sincerely,

SEBAGO TECHNICS, INC.
