Map 4 Lot 23C

Heavy Hammer Lane

December 2, 2023

Attendees:

Board; Richard Ganong, (Chair), Jamie Lowrey, Susan Roth, Tom McGinn, Marty Cain & Paul Green

Public; Anthony Trottier

Chairman Ganong called the meeting to order at 9:02 am. Mr. Trottier presented the minor changes to the drawings based on a desire to have a larger turning area for his trucks. He proceeded to present the physical location of the proposed building, pointing out the corner markers and the property markers. Mr. Trottier acknowledged the existence of a minor wetland location on the property and stated he would verify if there is still some allowance from the initial property plan to fill it in prior to disturbing the location. He understood he had to meet wetland boundary requirements. No issues were identified with the proposal for this property.

Meeting was adjourned at 9:21 am.

Respectfully Submitted,

/S/

Paul R. Green
