Wednesday February 15, 2023
Arundel Municipal Building
7PM
Meeting Room

The Select Board and members of the Community, who volunteered to work with the Select Board, will examine the Tax Increment Financing relationship between the Town and the Arundel Seasonal Cottages.

The group will review the various suggestions identified from the last meeting (1-18-23) and determine which suggestions warrant further review and discussion.

The meeting is open to the public and in addition will be recorded and uploaded to the Town of Arundel's You Tube channel.
